

## LU JONG CERTIFIED TEACHER TRAINING PROGRAM - OVERVIEW

### 1 - EDUCATION

The Lu Jong Teacher Training is a 14-Day comprehensive course of studies taught by Joelle Kelly, NMI certified Lu Jong Teacher Educator, leading to your certification as a teacher of Lu Jong.

We will delve deeply into all aspects of the Lu Jong lineage and you will emerge feeling confidently equipped with the skills necessary to successfully teach Lu Jong Tibetan Yoga to your students.

### 2 - CERTIFICATION

At the Final Master Class, you receive the direct transmission from Tulku Lobsang after taking a written and a practical examination under the guidance of your Educator, Joelle Kelly. This class is not an exam but an opportunity to deepen your connection with the lineage, to meet Rinpoche and receive your certificate to teach Lu Jong in his lineage.

Additionally, you will have a chance to meet and connect with the other Lu Jong teachers throughout North America to strengthen our network. Attendees are a combination of new teachers and current teachers who are renewing their certifications.

The Master Class in North America is an online event which means you can participate from your home (or anywhere), via Zoom, over the course of a weekend. You may also choose to attend in person at an event in Europe.

### 3 - RENEWAL

In two years' time, you renew your certification status by attending a Master Class either online or in person. After this first time, renewals only need to be done every four years. This ensures that all the teachers stay fresh, current and connected.

## Details and Policies of the Lu Jong Teacher Certification Program

- This certification program is offered through Nangten Menlang International (NMI), a Buddhist Medical Organization founded by Tulku Lobsang.
- Registration for enrollment in the Teacher Certification Program is with NMI. When you register you notify them of your choice of Educator. The Education portion of the Training is paid directly to the Educator.
- Completion of the program means you will be officially certified to teach Lu Jong Level 1 by the NMI organization and Tulku Lobsang.
- Joelle Kelly is authorized by NMI to prepare potential teachers to teach Lu Jong level 1.
- Lu Jong is strongly based upon the principles of Tibetan Medicine and connected with Tibetan Buddhism. While it is not necessary to teach Buddhism, an understanding of key aspects of Buddhist philosophy is fundamental to understanding Lu Jong. As such, these points are covered as a part of the curriculum.
- Buddhism refers to the application of methods to better understand the nature of our mind, body and phenomena. People of all religions, ages and abilities are welcome to join the training.
- As part of the course, you will be given a Lu Jong Teacher's Manual. Please respect that this is copyrighted material and cannot be reproduced or shared.
- You MUST attend both the Teacher Training and the Certification to receive your certificate to teach.
- The certification events are organized by Nangten Menlang. At least two certifications are offered annually, one in North America and one in Europe. There is no online option for the European certification.
- Registration and payment for certification events are done directly to the organization.
- In order to attend the certification, it is necessary to have Joelle Kelly's positive assessment that you have successfully completed the practical exam and requirements of the Training. You only need to have taken the written exam at least once, and if you don't pass you can take it again after the certification event. The ONLINE written exam is organized through the organization. No additional fees are required for the exams.
- You need to pass both tests before receiving your certificate to teach.
- If you do not pass, you will be given constructive feedback and another opportunity to take the tests.
- In order to maintain a valid Teacher's Certificate, it is necessary to attend a Renewal event after two years, and every four years after the first renewal. The Renewals are held concurrently with the Certification event and are organized by Nangten Menlang.

Thank you for your interest in teaching Lu Jong!
